From the West

Hello Brethren,

On May 30, we hosted another Master Class led by Stew Aronson, PGM. The subject was running a well-governed lodge. There is a lot of great information discussed at the classes. Next month will be back to Star in the East Lodge in Exeter on June 27th at 6:30. You don't have to be in the line to gain a tremendous amount of knowledge about the process of running and being in a lodge.

We will have a Master Mason degree this summer but we're not ready yet. Any help to deliver a great degree will be appreciated. Please call me if you want to take part and the best nights you're available to practice. Ray 603-686-2317

I'm also working on putting together the Line of officers for next year. We need Wardens, Jr. Deacon and Stewards. Help if you can.

There will be a meal at the June stated meeting. Dinner at 6:00 pm lodge opens at 7:00 pm.

You can bring your significant other to the stated meeting dinner anytime. If you plan on attending any of the meals please let me know with the above contact info. We would like to have a rough head count for each meal.

We meet for breakfast every Tuesday at 8:00 am at the Ginger and Clove Restaurant on Rt. 1 in Hampton for conversation, a few great stories, and some joking around and we always have a good time. Please join us and support the Fraternity.

Have a great month and we hope to see you at the Lodge.

SEEK, AND YE SHALL FIND

Excerpt from The New Age September 1977
Scottish Rite Southern Jurisdiction Magazine
Winston W. Watts, 32°

Brethren,

You have been taught that Masonry does not reveal any of her secrets except to those who's diligence, fidelity, zeal and work have proved themselves worthy to receive them and moreover, to use them for the benefit of mankind. In no one place will you find the whole revealed, but only bits and facts, often concealed in parable and allegory. It is only by constant effort to seek and find that the true glory of Masonry will become more and more real.

God does not seek out men. They have first to seek him of their own free will and accord. Then they are greeted with open arms and lifted up into a higher condition

BE AN ACTIVE MEMBER

Be an active member,
the kind that would be missed;

Don't be just contented
That your name is on the list.

Do attend the meetings
And mingle with the crowd;

Don't stay at home
And crab both long and loud.
Don't leave the work for just a few

And gripe about the clique.

And take time out to visit

A member who is sick.

There is quite a program scheduled

That means success, if done,

And it can be accomplished

With the help of everyone.

So attend the meetings regularly

And help with hand and heart,

Be an active member

And take an active part.

Think this over, Member

Are we right or are we wrong?

Be an active member.

Please don't just belong
